

Dear Academic Staff Members,
Dear Non Academic Staff Members,
Dear Students of 14/15, 15/16, 16/17, 17/18 and 18/19 Batches,

Kindly note that the Faculty of Agriculture in concurrence with the Vice Chancellor and the UGC, requests every staff member and student to remain indoors in their own homes and follow the instructions of Ministry of Health meticulously (while following all other government imposed regulations as well). The declaration of these days has been made to ensure we all remain in self-isolation. Let's follow all these regulations to get-rid-off this COVID-19 problem as quickly as possible as responsible community in the country. Therefore, the channel of communication can be by the Faculty website, Faculty e-hub, email or phone until further notice.

In the Faculty, all planned activities and events are postponed until further notice. New deadlines for submission of thesis and abstract for FAuRS will be duly informed once the normal working conditions established in the country.

At the moment we are trying to connect all of us through Faculty e-Hub....

I hope that all of you are in safe stay, however if you have any concerns during this period, please do not hesitate to contact me via email or phone. In the event you have develop symptoms and/or believe you have been in contact with a carrier please follow the instructions given by the government and inform me or AR/Agriculture to inform Vice Chancellor and UGC.

Hope that all these measures will help us to ensure the normal working conditions of the country and at the Faculty soon.

Stay safe, stay calm and stay healthy.....

Best regards to you and your family members....

Sincerely

Prof. Gamini Pushpakumara
Dean/Agriculture
