

# MANJARI IMESHA

## CAREER OVERVIEW

An adaptable and responsible fresh graduate seeking an entry-level position in the agriculture industry. My degree in Animal Science and Fisheries has provided me with a well-rounded background and enabled me to develop skills and knowledge in dairy, meat, fish, product quality, microbiology, product development and business economics. In short, I am reliable, hard-working with eager to learn and do research, can work in a challenging environment, and effectively communicate with other people.
