About me

Motivated and dedicated undergraduate student currently pursuing a B.Sc. in Animal Science and Fisheries, with a strong foundation in scientific principles, research methodologies, and practical applications within the field. Possess excellent analytical, problem-solving, and teamwork skills, with the ability to adapt quickly and collaborate effectively in diverse environments. Eager to apply academic knowledge, hands-on training, and technical competencies to real-world challenges while gaining valuable industry experience. Highly enthusiastic about contributing to organizational growth, enhancing personal expertise, and building a successful career in the fields of animal science, fisheries, and related industries

Education

University of Peradeniya , Faculty of Agriculture – Kandy, Sri Lanka

Bachelor of Science in Animal Science and Fisheries (Expected Graduation: 2026)

- Current GPA: 3.58/4.0 (Up to 7th Semester)

- Relevant Coursework: Livestock management, Biochemistry, Animal Nutrition, Quality Assurance, Feed Processing, Aquaculture , Microbiology

Mo/Dutugemunu college , Buttala – Monaragala, Sri Lanka

G.C.E. Advanced Level (2019)

- Biological science stream : 2C , 1S passes

Mo/Nishshanka National college, Badalkumbura –Monaragala ,Sri Lanka

G.C.E Ordinary Level (2016)

- 9A Passes

Projects and Courseworks

- Research Project: Comparative assessment of functional properties, Bioactivity and toxicity among Monocultured, Integrated (With sea cucumber) and wild populations of *Kappaphycus alvarezii* seaweed. (On going) Conducting laboratory analyses on antioxidant potential (TPC,FRAP,ABTS ,ORAC and DPPH), alpha amylase inhibition and Brine shrimp lethality assay . (Ongoing)

-Hands on experience in Dairy product processing and Quality assurance ,Meat product processing and Quality assurance

-Hands on experience in Livestock management and nutrition

-Hands on experience in Aquaculture; Breeding, Brooder management, Disease management

-Hands on experience in Biotechnology related analyses.

Skills

- **Technical Skills:** MS Office (Word, Excel, PowerPoint), SAS statistical software, Laboratory Techniques (Microbial culture, Chemical analyses)
- **Soft Skills:** Communication, Teamwork, Time Management, Critical Thinking
- **Languages:** English (Fluent), Sinhala (Native), Tamil (Basic)

Memberships

International Agricultural Students' Association - Member
International Students' Forum -Member

Extracurricular Activities

Presspulse - The media and journalism Society , Faculty of Agriculture, University of Peradeniya

- Secretary - 2025 Jan - Present
