OBJECTIVE

To secure a challenging role where I can apply the strong theoretical and practical knowledge gained from my B.Sc. (Hons) in Agricultural Technology and Management (Crop Science Major). My core aim is to gain comprehensive knowledge and hands-on experience in management activities within a leading organization, while providing my fullest cooperation and best services toward achieving its objectives, with the ultimate goal of reaching the highest managerial position.

PROFILE

Highly motivated and recently graduated with a B.Sc. (Hons) in Agricultural Technology and Management (Major in Crop Science). A flexible and self-motivated individual who is willing to meet demanding challenges and capable of working effectively both on their own initiative and as part of a collaborative team. Possesses proven leadership skills involving managing, developing, and motivating teams to achieve their objectives. Eager to leverage this technical expertise and dedication to gain hands-on experience in management activities, with the ultimate goal of achieving a senior leadership position.
