Ethical Review Application No.: (To be completed by the ERC)	
Title of the Project: (To be completed by the Applicant)	
L.	alls for

Instructions for Applicant:

- When inviting a participant to provide information for a research project, ensure that the participant is adequately informed about the research, including its purpose, procedures, potential risks, and benefits.
- Before collecting any information from the participant, you must obtain their written consent. This consent ensures that the participant understands the study and agrees to participate voluntarily.
- Please use Attachment 1 (Invitation to Participate in a Research Project) to formally invite the participant and provide them with all necessary information.
- Use Attachment 2 (Consent to Participate in a Research Project) to obtain the participant's written consent.

Instructions for participant:

- Carefully read the Attachment 1: Invitation to Participate in a Research Project document. It outlines the purpose, duration, procedures, potential benefit/s, risks, etc. of the study.
- Make sure you understand what your participation involves, including the duration, procedures, and any responsibilities you may have during the study.
- If anything is unclear or if you have any concerns, do not hesitate to ask the principal investigator for clarification. Their contact details are provided in the invitation document.
- If you choose to participate, you will be asked to sign a "Consent to Participate in a Research Project" form. This confirms that you understand the study and agree to participate.
