

NOTICE

Prof. Gaye and Dr. Bryden Krebs Scholarship

Applications are now open for the Prof. Gaye and Dr. Bryden Krebs Scholarship. This scholarship, generously awarded by Professor Gaye and Dr. Bryden Krebs of Queensland, Australia, aims to support undergraduate students facing financial challenges.

Information and Eligibility Criteria:

1. The Scholarship:

Monthly stipend of Rs. 10,000.00 for the selected undergraduate until completion of the degree program.

2. Eligibility for Application:

- Applicants must be undergraduates currently enrolled in the 1200 Series Semester of either Agricultural Technology & Management (ATM) or Animal Science & Fisheries (ASF) degree program.
- Applicants must demonstrate significant financial difficulties.
- Applicants must have obtained a grade "C" or above in all subjects in the 1100 Series Semester examination. Grades beyond "C" will not be considered as an additional qualification.

3. Scholarship Termination:

- The scholarship will be discontinued if the recipient fails to maintain at least a "C" grade in any subject for subsequent semesters.
- Repeat attempts will not qualify for continuation of the scholarship

4. Selection Process:

- Candidates will be selected based on the submitted documents and their performance during an interview.

How to Apply:

Applicants are encouraged to submit an online application along with scanned copies of Sections 15 and 16 of the application (Certification by Grama Niladhari and Divisional Secretary). Alternatively, printed applications obtained from the Dean's Office may be completed and handed over to the Dean's Office.
